

CALL FOR PARTICIPANTS

**Eligibility: YU nursing students resided in Canada 10 years or less
and/or students in bridging program of SON**

What is the purpose of this Research?

- a) To assess and promote English language competency in the BSN bridging education program
- b) To develop best practices for nursing communication in Canada

How can I participate?

- Complete the Canadian English Language Benchmark Assessment for Nurses (CELBAN) test. This test will require you to complete 2 parts.
 - 1) oral test (30 minutes) (being video-recorded for your self-analysis)
 - 2) a written test (2.5 hours)
- Fill in a survey questionnaire (40 minutes)

Is participation voluntary? YES

Your participation in the study is completely voluntary and you may choose to stop participating at any time.

How do I benefit? You will receive:

- Detailed personalized feedback on the language tests.
- *For Bridging Program's Students:* Other benefits include Skill Development through learning assignments and workshops; educational software and equipment
- *For other eligible Nursing Students:* gift card or educational software
